Dear Matt,

I would like to take this opportunity to congratulate you and your **ISIC** team for the effort and work which have contributed to positioning the **ISIC** to where it is today on the Czech market.

When we took over the distribution and development of one of the world's leading water-sports brand **Body Glove** for Central Europe, we knew we needed to find a communication partner who was indeed close to the youth segment. GTS Alive, through the **ISIC** has managed to be incorporated into most aspects and areas of the daily life and routine of Czech students. This involvement not only greatly benefits the students themselves, but additionally aides and allows suppliers of products and services such as ourselves with **Body Glove**, to reach this valuable segment and to provide access to our product range through exclusive special deals and promotions.

We look forward to a mutually prosperous & long lasting partnership between the **ISIC** and **Body Glove** for many years to come!

With kindest regards
